OF OREGON**

UE 233

In the Matter of

IDAHO POWER COMPANY

Request for General Rate Revision.

RULING

DISPOSITION: BRIEFING AND ORAL ARGUMENT DATES POSTPONED

On November 1, 2012, Idaho Power Company filed a motion requesting that the Commission take official notice in this proceeding of certain confidential and non-confidential portions of the record in docket UE 246. On November 2, 2012, the Citizens' Utility Board of Oregon filed a response opposing Idaho Power's motion on the grounds that the motion is untimely, and that all parties should have equal access to all documents relevant to the proceeding. On November 5, 2012, Idaho Power filed a reply to CUB's response, noting that the parties have cited numerous times to the record in docket UE 246 throughout this proceeding.

As I notified the parties earlier today, the Commission has postponed oral argument in this docket. To properly address the parties' arguments on these issues, I postpone the date that briefs are due as well. The Commission will contact the parties to schedule a telephone conference to discuss Idaho Power's motion, as well as reschedule the dates for briefs and oral argument.

Dated this 5th day of November, 2012, at Salem, Oregon.
