DISPOSITION: MOTION GRANTED

By motion filed September 3, 2014, Portland General Electric Company (PGE) requests that the procedural schedule in this docket be suspended. PGE requests expedited treatment of the motion. As grounds for its motion, PGE states that the parties in this proceeding have reached an agreement "in principle" resolving all issues. According to PGE, the parties are in the process of completing a stipulation and supporting joint explanatory brief and anticipate filing the stipulation and brief next week. All parties support PGE's motion.

For good cause shown, PGE's motion is granted. The procedural schedule in this docket is suspended.

Dated this 3rd day of September, 2014, at Salem, Oregon.
