

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 308

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

2017 Annual Power Cost Update.

RULING

DISPOSITION: MOTION GRANTED

On August 23, 2016, Commission Staff filed a motion to permit it to file an amended Exhibit 500 of its testimony. The amended testimony was filed simultaneously.

In support of its motion, Staff states that the pricing adjustments in its original testimony had already been performed by Portland General Electric Company and that its duplicative adjustments resulted in inaccurate data. Staff represents that it has advised all of the parties in this docket of its proposed filing and that none interpose any objection.

For good cause shown, Staff's motion is granted.

Dated this 24th day of August, 2016, at Salem, Oregon.
