

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UE 319

In the Matter of

PORTLAND GENERAL ELECTRIC  
COMPANY,

Request for a General Rate Revision.

RULING

**DISPOSITION: MOTION GRANTED**

On October 20, 2017, Staff filed a motion for expedited consideration of the Second Partial Stipulation. The Second Partial Stipulation, submitted on October 9, 2017, includes a recommendation that the Commission direct the Energy Trust of Oregon to raise the informal cap on energy efficiency funds provided to customers larger than one average megawatt in the company's service territory.

Because this recommendation impacts the Energy Trust of Oregon's 2018 budget process, Staff asks the Commission consider the Second Partial Stipulation on an expedited basis to allow the Energy Trust to timely prepare its 2018 budget. Specifically, Staff requests the Commission issue an order regarding this stipulation by November 9, 2017. Staff notes the Energy Trust is scheduled to present its budget to the Commission on November 16, 2017.

Staff reports that it conferred with all parties and none objects to this request. To facilitate expedited consideration, Staff asks the Commission set October 24, 2017, as the due date for responses to the motion, which is also the last day on which a party may file an objection to the Second Partial Stipulation.

For good cause shown, the motion is granted. Responses to the motion are due October 24, 2017. The Commission also adopts a target final order date regarding the Second Partial Stipulation of November 9, 2017.

Dated this 23<sup>rd</sup> day of October, 2017, at Salem, Oregon.
