In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

Request for a General Rate Revision.

RULING

DISPOSITION: MOTION GRANTED

On June 23, 2017, Portland General Electric Company filed a joint motion to suspend the procedural schedule on behalf of the parties. It requests expedited consideration because PGE's reply testimony on net power cost issues is due June 26.

PGE states the parties participated in settlement conferences on June 15 and June 16. At the conferences, an agreement in principal was reached resolving all issues in this docket related to net variable power costs. PGE will file the MONET power cost updates and does not request those dates be suspended. PGE states that the other conference participants—Oregon Citizens' Utility Board, Industrial Customers of Northwest Utilities, and Fred Meyer Stores, Inc.—support the motion.

For good cause shown, the motion is granted. The procedural schedule relating to net variable power costs in this docket is suspended.

Dated this 23rd day of June, 2017, at Salem, Oregon.
