RULING

DISPOSITION: MOTION GRANTED

By motion filed May 9, 2018, Staff of the Public Utility Commission of Oregon requests a ruling suspending the remainder of the procedural schedule to allow parties the opportunity to finalize and execute a stipulation and supporting brief in this case.

As grounds for its motion, Staff states that all parties have reached a settlement in principle and no party objects to Staff's motion. Also, the parties anticipate filing the stipulation and supporting brief no later than May 16, 2018.

For good cause shown, I grant Staff's motion and direct the parties to file the stipulation and supporting brief no later than May 16, 2018. The remainder of the schedule is suspended.

Dated this 9th day of May, 2018, at Salem, Oregon.
