## DISPOSITION: MOTION TO MODIFY SCHEDULE ADOPTED

PacifiCorp, dba Pacific Power, filed an unopposed, stipulated motion to modify the schedule in this docket. PacifiCorp explains that Commission Staff, the Oregon Citizens' Utility Board, the Alliance of Western Energy Consumers, and Calpine Energy Solutions LLC have reached a partial settlement in principle that resolves all but one disputed issue in this proceeding.

The parties request changes to the schedule to allow them to finalize and execute a partial stipulation, and to address litigation of the remaining disputed issue. The parties request expedited treatment because PacifiCorp's reply testimony is currently scheduled for July 9, 2018.

For good cause shown, the parties' requested schedule is adopted, as shown below.
