Motion for Extension of Time

The Citizens' Utility Board of Oregon (CUB) filed a motion to compel TracFone Wireless, Inc. (TracFone or Company) to respond to CUB's data requests on August 4, 2010, and a supplemental motion to compel on August 11, 2010. On August 18, 2010, TracFone filed an unopposed motion for extension of time to respond to CUB's motions to compel. TracFone requests the extension because the Company is in negotiations with CUB in an effort to resolve some or all of the issues raised in CUB's motions to compel. TracFone states that CUB does not oppose the extension request.

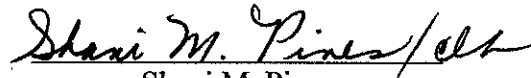

TracFone's motion for extension of time to respond to CUB's motions to compel is granted. TracFone may file a response to CUB's motions through August 25, 2010.

Request to Suspend Filing Date

Earlier today, TracFone submitted a letter requesting that the Commission suspend the current due date of August 23, 2010, for all parties to file responsive testimony, so that parties may continue to discuss proposed revisions to the docket schedule to address TracFone's expanded service offering. TracFone states that CUB, Public Utility Commission of Oregon Staff, the Oregon Telecommunications Association, and the Oregon Office of Emergency Management agree with TracFone's request.

TracFone's request is granted. The due date for parties to file responsive testimony is suspended, and will be addressed at the telephone conference scheduled for Tuesday, August 24, 2010.

Dated this 19th day of August, 2010, at Salem, Oregon.
