

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1511

In the Matter of

T-MOBILE WEST CORPORATION,

Application for Designation as an Eligible
Telecommunications Carrier and Request
for Supplemental Certification on Use of
Funds

RULING

DISPOSITION: REQUEST GRANTED; SCHEDULE SUSPENDED

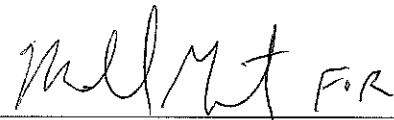

On June 21, 2011, counsel for Applicant, T-Mobile West Corporation, filed a letter with the Commission requesting that "the procedural schedule be suspended for all purposes" pending the outcome of a settlement conference scheduled for July 13, 2011.

In support of the request, counsel for T-Mobile states that, on June 14, 2011, the parties met for the scheduled settlement conference and all parties agreed to the suspension. T-Mobile further states that the parties will promptly report their progress toward settlement to the Commission and, if necessary, request a prehearing conference to set a schedule for the remainder of the case.

I find that the request to suspend the schedule will not unduly delay the proceedings and is reasonable.

T-Mobile's request is granted. The schedule in this docket is suspended pending a filing by Applicant or the parties jointly.

Dated this 22nd day of June, 2011, at Salem, Oregon.
