RULING

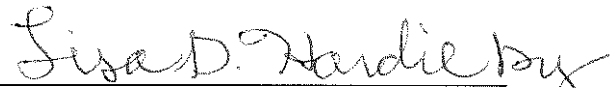

DISPOSITION: ISSUES LISTS TO BE FILED

On March 13, 2012, Commission Staff filed a status report in this docket. Staff advised the Commission that the parties had conducted two workshops and that another is scheduled for March 22, 2012. Staff stated that the parties would file a status report, including an issues list and a proposed procedural schedule, by March 28, 2012.

The parties should file a status report and an issues list, if they agree on a single list, by March 28, 2012. If the parties cannot agree on a single issues list, the parties may file individual issues lists.

The parties are welcome to file a proposed procedural schedule with respect to the next steps in this docket. If the parties cannot agree on a joint procedural schedule, or if the Commissioners have any specific preferences regarding the order of events in this docket after reviewing the issues lists, another prehearing conference may be scheduled.

Dated this 21st day of March, 2012, at Salem, Oregon.
