

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UM 1662

In the Matter of

PORTLAND GENERAL ELECTRIC  
COMPANY and

PACIFICORP, dba PACIFIC POWER,

Request for Generic Power Cost  
Adjustment Mechanism Investigation

RULING

**DISPOSITION: MOTION GRANTED IN PART**

In a memorandum issued July 7, 2015, I canceled the hearing scheduled in this matter on July 17, 2015, to be reset at a later date. I also deferred the filing of cross-examination estimates to one week before the hearing date. I did not change the date for filing prehearing briefs, set for July 10, 2015.

By motion filed July 9, 2015, the Commission Staff requests that the date for filing prehearing briefs be postponed to a date one week before the hearing date. Staff indicates that all parties intending to file such a brief support its motion. As grounds for its motion, Staff cites the postponement of the hearing date.

For good cause shown, Staff's motion is granted in part. The July 10<sup>th</sup> filing date is vacated. However, rather than setting the new date one week before the hearing date, the new date will be set for two weeks before the hearing date to facilitate preparation for the hearing.

Dated this 9<sup>th</sup> day of July, 2015, at Salem, Oregon.
