RULING

DISPOSITION: MOTION TO AMEND PROCEDURAL SCHEDULE GRANTED

On June 11, 2014, the parties to this proceeding filed a joint motion to amend the procedural schedule in this docket. In lieu of filing testimony, briefs, and having a hearing, the parties seek to file cross summary judgment motions on August 22, 2014.

All parties concur on the motion, and represent that the intervenors do not oppose the motion.

The parties further agree that the deadline for filing cross summary judgment motions should be conditioned on the timely resolution of certain discovery disputes.

Because the motion is unopposed, I will grant the parties' request to vacate the procedural schedule and instead direct the parties to file cross summary judgment motions on August 22, 2014. I will not condition this deadline on resolution of discovery disputes, because it is unclear what disputes the parties are having, or how to condition the new deadline. Seeing as the summary judgment motion deadline is over two months from today, I believe that any discovery disputes can be resolved well in time for the parties to meet the new August 22, 2014 deadline.

Dated this 12th day of June, 2014, at Salem, Oregon.
