**DISPOSITION: MOTION GRANTED**

On June 29, 2015, Northwest Natural Gas Company, dba NW Natural filed a motion for extension of time to file its reply testimony in this docket, currently due on July 6, 2015, until July 10, 2015. NW Natural states that the extension of time is needed to allow for witnesses' schedules.

NW Natural states that it has conferred with the parties and they do not object to its request.

I find that the request is reasonable. The motion is granted. NW Natural's reply testimony is due July 10, 2015.

Dated this 1st day of July, 2015, at Salem, Oregon.
