In the Matter of

PUBLIC UTILITY COMMISSION OF
OREGON,

Investigation Into Northwest Natural Gas
Company's WARM Program.

RULING

DISPOSITION: MOTION GRANTED

By motion filed December 14, 2015, Northwest Natural Gas Company requests postponement of the prehearing conference set in this matter for December 17, 2015. NW Natural requests expedited consideration of its motion. As grounds for its motion, NW Natural states that the parties plan to hold a second workshop on January 15, 2016, to further discuss issues and consider procedural matters. The company suggests several dates for the rescheduled prehearing conference.

NW Natural reports that all parties support its motion.

For good cause shown, the motion is granted. The prehearing conference set for December 17, 2015, is canceled. A prehearing conference will be set for February 16, 2015. A notice with specifics will issue separately.

Dated this 15th day of December, 2015, at Salem, Oregon.
