RULING

DISPOSITION: PETITIONS TO INTERVENE GRANTED FOR
 LIMITED PURPOSES

The Commission has received petitions to intervene in this docket from the Sierra Club, Renewable Energy Coalition, and NW Energy Coalition.

This proceeding is not a contested case proceeding under ORS 183.310(2). Nonetheless, obtaining party status is necessary to be eligible to sign a protective order to obtain access to protected information. For those reasons, the Commission will grant the petitions to intervene, even though party status does not confer the general rights and duties to individuals who participate in contested case proceedings.

The petitions to intervene filed by Sierra Club, Renewable Energy Coalition, and NW Energy Coalition are granted for the limited purposes described above.

Dated this 16th day of September, 2016, at Salem, Oregon.
