

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UM 1799

CYPRESS CREEK RENEWABLES,  
LLC

vs.

PACIFICORP dba PACIFIC POWER,

Pursuant to ORS 756.500.

RULING

DISPOSITION: MOTION GRANTED; PROCEDURAL SCHEDULE MODIFIED

At the prehearing conference held on November 7, 2016, the following schedule was adopted:

EVENT	DATE
Cypress Creek Motion for Summary Judgment	November 23, 2016
PacifiCorp Response	December 7, 2016
Intervenors' Response	December 21, 2016
PacifiCorp Reply to Intervenors	January 13, 2017
Cypress Creek Response to PacifiCorp and Intervenors	January 18, 2017

On November 23, 2016, Cypress Creek Renewables, LLC; PacifiCorp, dba Pacific Power filed a joint motion to modify procedural schedule and requested expedited consideration. In support of the motion, the parties state that they have been involved in settlement discussions and request a two-week delay in the proceedings in which to seek resolution of all matters in this docket. The proposed revised schedule would be as follows:

EVENT	DATE
Cypress Creek Motion for Summary Judgment	December 7, 2016
PacifiCorp Response	December 21, 2016
Intervenors' Response	January 4, 2017
PacifiCorp Reply to Intervenors	January 27, 2017
Cypress Creek Response to PacifiCorp and Intervenors	February 1, 2017

Cypress Creek and PacifiCorp note that intervenors Renewable Northwest, the Northwest and Independent Power Producers Coalition, and the Renewable Energy Coalition have agreed to the requested delay and that Portland General Electric Company and the Commission Staff do not oppose the motion.

I find that good cause has been shown to revise the procedural schedule as noted above and that the proceedings will not be unduly burdened or delayed by granting the parties' motion. The motion is granted and the schedule revised accordingly.

Dated this 23<sup>rd</sup> day of November, 2016, at Salem, Oregon.
