RULING

vs.

PACIFICORP dba PACIFIC POWER,

Pursuant to ORS 756.500.

DISPOSITION: MOTION GRANTED; PROCEDURAL SCHEDULE MODIFIED

On December 7, 2016, Cypress Creek Renewables, LLC and PacifiCorp, dba Pacific Power filed a joint motion to further modify the procedural schedule and requested expedited consideration, as the Cypress Creek motion for summary judgment was due to be filed today. In support of the motion, the parties state that they continue to be involved in settlement discussions and request adoption of a proposed revised schedule as follows:

EVENT	DATE
Cypress Creek Motion for Summary Judgment	January 4, 2017
PacifiCorp Response	January 18, 2107
Intervenors' Response	February 1, 2017
PacifiCorp Reply to Intervenors	February 24, 2017
Cypress Creek Response to PacifiCorp and Intervenors	March 1, 2017

Cypress Creek and PacifiCorp represent that intervenors Renewable Northwest, the Northwest and Intermountain Power Producers Coalition, the Renewable Energy Coalition, Portland General Electric Company, and the Commission Staff do not oppose the motion.

I find that good cause has been shown to revise the procedural schedule as noted above and that the proceedings will not be unduly burdened or delayed by granting the parties' motion. The motion is granted.

Dated this 7th day of December, 2016, at Salem, Oregon.
