**DISPOSITION: MOTION FOR ORAL ARGUMENT ON MOTIONS FOR
SUMMARY JUDGMENT GRANTED**

On February 6, 2019, Alfalfa Solar I LLC, et al. (collectively, defendants), filed a motion requesting that the Commission schedule oral argument on the pending motions for summary judgment at a time after completion of the briefing schedule.

Defendants represent that they have conferred with the complainant Portland General Electric Company and with intervenors Northwest and Intermountain Power Producers Coalition, Renewable Energy Coalition and Community Renewable Energy Association, and that neither the complainant nor any intervenor interposes any objection to the defendants' motion.

In support of the motion, defendants state that oral argument will assist the Commission in understanding the issues, evidence, and arguments raised by the pending summary judgment motions.

RULING

The motion for argument on motions for summary judgment is granted. A notice announcing the date and time for oral argument shall be issued in the near future.

Dated this 8th day of February, 2019, at Salem, Oregon.
