In the Matter of

SUNRIVER WATER LLC,

Request for a General Rate Revision.

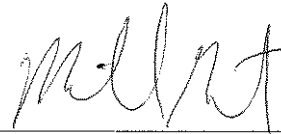

RULING

DISPOSITION: MOTION GRANTED

On February 17, 2015, Sunriver Water LLC filed a motion to amend the due date for a required filing. Sunriver Water LLC explains that, in Order No. 14-405, the Commission ordered the water company to file an affiliated interest agreement within 90 days of the date of the order. Because Sunriver Water LLC mistakenly believed that the 90-day period began to run when new rates went effective, rather than the date of the order, it seeks an extension until March 2, 2015 to file the affiliated interest agreement.

The motion is granted. The remainder of Order No. 14-405 remains unchanged.

Dated this 18th day of February, 2015, at Salem, Oregon.
