PUBLIC UTILITY COMMISSION OF
OREGON

Staff Investigation into Interconnection of
PURPA Qualifying Facilities With Nameplate
Capacity Larger Than 10 Megawatts to a Public
Utility's Transmission or Distribution System.

PREHEARING
CONFERENCE
MEMORANDUM

DISPOSITION: SCHEDULE FOR COMMENTS ADOPTED

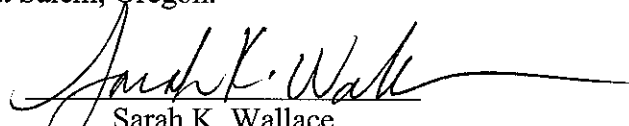

A prehearing conference was held in this docket on May 6, 2009. Representatives from Staff of the Public Utility Commission of Oregon (Staff), PacifiCorp, dba Pacific Power, Idaho Power Company, Portland General Electric Company, the Industrial Customers of Northwest Utilities, and Sagebrush Energy LLC appeared at the conference.

The purpose of the conference was to set a schedule for the remainder of the docket and to discuss discovery issues, if any. The parties advised the Administrative Law Judge (ALJ) that all discovery issues had been resolved. The parties proposed, and the ALJ adopted, the following schedule:

Staff & Intervenors File Opening Comments	June 8, 2009
Workshop	July 6, 2009 ¹
All Parties File Reply Comments	July 20, 2009.

The ALJ will attend at least a portion of the workshop to get a status update and to request that the parties address particular issues, if any, in their reply comments. The parties agreed to discuss in their opening and reply comments whether the agreements that result from this docket should be filed as tariffs or as compliance filings.

Dated this 12th day of May, 2009, at Salem, Oregon.

Sarah K. Wallace
Administrative Law Judge

¹ The parties may reschedule the workshop without the ALJ's approval, but should notify the ALJ of any changes. Staff will provide notice of the workshop to the parties and to the Commission.
