PREHEARING CONFERENCE
MEMORANDUM

On February 13, 2014, the Public Utility Commission of Oregon held a prehearing conference in this docket. Representatives appeared on behalf of Commission Staff; Frontier Communications Northwest, Inc.; Citizens' Utility Board of Oregon (CUB); Integra Telecom, Inc.; and the League of Oregon Cities (the League).

Procedural Schedule

The primary purpose of the conference was to establish a procedural schedule for the docket. The parties indicated that parties who had met during the preceding workshops had reached an agreement in principle on the issues in the docket and wished to have time to work together to memorialize the agreement in writing. The League, who was granted party status on February 12, 2014, did not object. The parties agreed to submit, by March 14, 2014, either a stipulation with supporting documentation or a status report. I approved this plan.
