Request for recovery of costs associated with)	
its Selective Water Withdrawal Project.)	

**DISPOSITION: MOTION TO MODIFY SCHEDULE GRANTED;
PROCEDURAL SCHEDULE SUSPENDED;
APRIL 29, 2009, HEARING POSTPONED**

On April 14, 2009, Portland General Electric Company (PGE) filed a motion to amend the procedural schedule in this docket. PGE states that it has recently encountered a delay in the construction of the Selective Water Withdrawal (SWW) project and needs time to assess the impact of that delay. PGE asks for the current procedural schedule to be suspended and states that its motion is supported by the other parties in this docket. PGE states that it will work with the other parties and file a request regarding a schedule for the remainder of this docket by May 15, 2009.

PGE’s motion is GRANTED. The current procedural schedule is suspended, and the hearing scheduled for April 29, 2009, is postponed. To the extent that a new schedule will require an extension of the suspension period beyond the current July 15, 2009, deadline, however, PGE will be expected to agree to a further suspension of its proposed tariffs pursuant to ORS 757.215(2).

Dated this 15th day of April, 2009, at Salem, Oregon.
