Subject: UM 1437 Motion to Amend Schedule

Parties to Docket UM 1437,

Earlier today, I received an expedited informal request from Staff to extend the due date for Staff's testimony in this docket. Staff has informed me that TracFone and the Citizens Utility Board do not object to Staff's request. I grant an expedited one-week extension of all due dates in this docket. Staff may file a more formal motion to amend the docket schedule within the next week.
