RE: Notice of *Ex Parte* Communication

By letter of June 3, 2010, I notified all parties to this docket of certain communications between Chairman Ray Baum and members of the Commission Staff on matters related to TracFone Wireless, Inc. (TracFone) On June 24, 2010, TracFone filed a written rebuttal to that notice.

The purpose of this letter is to respond to one statement made by TracFone in its rebuttal. In the second paragraph to its letter, TracFone questions whether it received all the necessary information with respect to a briefing that Kay Marinos provided Chairman Baum on TracFone's business model and the SafeLink offer.

In my earlier notice, I attached a copy of the materials Ms. Marinos used to brief Chairman Baum. These included a white paper prepared by another regulatory commissioner and a newspaper article. These materials provided a summary of the matters discussed during that briefing.
