Subject: Notice of Telecommunications Applications for 10/10/12

Date: Wednesday, October 10, 2012 11:29:25 AM

NOTICE OF TELECOMMUNICATIONS APPLICATIONS

FILED WITH THE PUBLIC UTILITY COMMISSION OF OREGON

The Public Utility Commission is required to provide notice of new applications for

authority to provide telecommunications services in Oregon. If you do not wish to receive these notices, please reply to this e-mail and type "unsubscribe" in the subject heading.

This notice contains the applications filed with the Commission through 10/10/2012, for authority to provide telecommunications service in the State of Oregon as a competitive provider.

Within 20 days of this notice, dated 10/10/2012, any interested person may file comments or protests pertaining to these applications. For questions on the procedures, call (503) 378-2849.

The protest shall:

1. Clearly state the name, e-mail and mailing address and telephone number of the protestant.
2. Be signed by the protestant or the protestant's attorney.
3. Contain a statement that a copy of the protest was mailed to the applicant.
4. Contain the date the copy of the protest was mailed to the applicant.

In addition, the protest shall:

1. Identify the application being protested.
2. State the reason for the protest.
3. State the manner in which the application will affect the interests of the protestant.
4. State whether a hearing is requested and provide the reason for the request.

Your protest must arrive at Administrative Hearings Division, Public Utility Commission, PO Box 2148, Salem, OR 97308-2148 by 5 p.m. on 10/30/2012. In addition to the written copy, you must also submit a copy of the protest in electronic format compatible with Adobe Acrobat Reader or Rich Text Format. If you are unable to submit an electronic copy, you must provide a written statement explaining why.

The Commission will consider all protests to this application. However, the Commission may grant or deny the application without a hearing.

INTRAEXCHANGE AUTHORITY

Applications for intraexchange authority are grouped separately within this notice. The Commission will, on its own motion, investigate these applications to determine whether

the requests are in the public interest under ORS 759.050, regardless of whether a protest is filed. Any person who wishes to actively participate in the investigation should file a petition to intervene within the timeframe set out above for protests. See OAR 860-001-0300. Any telecommunications utility or cooperative that does not protest but who wants to be a party to an application proceeding, must file a written request with the Commission and mail a copy of the request to the applicant.

Dated this 10th day of October, 2012.

Susan K. Ackerman, Chair

John Savage, Commissioner

Stephen M. Bloom, Commissioner
