Re: UM 1668 – Notice of Changes to Lifeline Service Offerings of Boomerang Wireless, LLC

Dear Ms. Collins:

Boomerang Wireless, LLC (“Boomerang”), pursuant to the stipulation filed in this docket on August 28, 2015 (“Stipulation”), and subsequently approved by the Oregon Public Utility Commission (“Commission”),¹ is filing its revised Lifeline service offerings with the Commission, having informally notified the Commission staff about these changes on September 28, 2018.

On December 1, 2018, Boomerang replaced the non-Tribal “Always On 750 Minutes Plan” with its “1000 Bundled Voice Plan.” The 1000 Bundled Voice Plan includes a material improvement to the terms and conditions of the existing plan, increasing the number of voice minutes from 750 to 1000. There are no changes to the unlimited text messages and 100 MB of data each month.

Along with this increase in minutes, Boomerang is making a non-material change by removing references to “Always On,” which was associated with a feature that provided low-speed data (at 128K/sec) when the customers’ data allotment was exhausted, from its Tribal and non-Tribal plan offerings. As revised, Boomerang’s non-Tribal Lifeline plans in Oregon will offer 1000 voice minutes, unlimited text messages, and 100 MB of data each month. All services remain subject to Boomerang’s Acceptable Use Policy.

¹ *In the Matter of Boomerang Wireless, LLC dba Entouch Wireless, Application for Limited Designation as an Eligible Telecommunications Carrier and Eligible Telecommunications Provider for the Purpose of Offering Lifeline Service, and Request for Waiver*, Docket No. UM 1668, Order No. 15-280 (entered September 16, 2015).

Aside from the change to “Always On” noted above, there are no changes currently planned with respect to Boomerang’s Tribal Lifeline plan in Oregon. Boomerang’s “Tribal Unlimited Unit & 1.5 GB Plan” in Oregon will continue to offer unlimited talk and text, and 1.5 GB of data each month. Services under Boomerang’s Tribal Lifeline plan remain subject to Boomerang’s Acceptable Use Policy.

Boomerang sent appropriate notices to subscribers at least 30 days prior to moving any subscribers to the revised plans, and completed the transition of Oregon subscribers to the new plans as of December 1, 2018 without interruption of services for subscribers.

Attached, in accordance with step two of the paragraph 19 process, are updated plan charts, replacing Exhibits D and E to the Stipulation. In addition, although not a Lifeline-supported service, Boomerang’s current top-up offerings are also reflected in the revised Exhibits D and E attached hereto.

Please contact me if you have any questions regarding this filing.

Very truly yours,

DAVIS WRIGHT TREMAINE LLP
