In the Matter of

PACIFICORP, dba PACIFIC POWER,

2017R Request for Proposals.

NOTICE

This notice describes the general process the Commission expects to follow in reviewing PacifiCorp's motion for acknowledgement of its 2017R RFP shortlist.

The Commission will address PacifiCorp's request in two parts. First, the Commission will hear comment and begin its deliberations at the April 30, 2018 Special Public Meeting. This meeting, which will run from 9:30 a.m. until noon, will open with Staff opening remarks, followed by comments from PacifiCorp and participants. Commissioners may ask questions of the parties at any time. Because this proceeding contains extensive protected and highly protected information, the Commissioners will conduct a majority of this meeting in executive session. There will be no opportunity to monitor the meeting via webcast or by telephone.

The Commission will conclude its deliberations at the May 22, 2018 Regular Public Meeting, which will be open to the public, and may be monitored via webcast or telephone. At this meeting, the Commission will also address the outstanding motion filed by Caithness, and finalize order language for its shortlist acknowledgement decision, so that the order may be issued shortly after the meeting.

Dated this 27th day of April, 2018 at Salem, Oregon.
