**OF OREGON**

UM 1893

In the Matter of  
PUBLIC UTILITY COMMISSION OF  
OREGON  
Investigation into the Methodology and  
Process for Developing Avoided Costs Used  
in Energy Efficiency Cost-Effectiveness Test

NOTICE OF STAFF  
WORKSHOP

The Public Utility Commission of Oregon will hold a Staff workshop in these dockets as follows:

**DATE:** February 4, 2019  
**TIME:** 1:00pm to 3:30pm  
**LOCATION:** Portland State Office Building  
800 NE Oregon St  
Portland, OR 97232  
Room 1C-30

In this workshop, Energy Trust will deliver a presentation on how avoided cost data is used by walking through the model that uses these data to make cost-effectiveness calculations. Staff will lead a discussion on how to improve the process of data submittal and review for the first formal iteration in 2019. Staff will also propose goals and timeline for work on this docket in 2019.

Staff will be sending an agenda and meeting materials to those people on the UM 1893 service list prior to this workshop. The goal of the materials is to help lead a well-informed discussion at the workshop. There is no need to RSVP. The meeting is open to the public.
