RE: UM 1894 - CREA's Notice of Intent Not to Participate in Oral Argument

Dear Commissioners:

This letter will serve as notice that the Community Renewable Energy Association ("CREA") does not plan to participate in oral argument scheduled in this docket for July 12, 2018. CREA submitted intervenor reply comments in this docket on March 30, 2018. Given that Pacific Northwest Solar, LLC's position is aligned with CREA's position on the points made in CREA's reply comments, and due to staffing and budgetary considerations, CREA will not be participating in oral argument. However, CREA stands by the position stated in its reply comments and continues to support Pacific Northwest Solar, LLC's position in this docket.

RESPECTFULLY SUBMITTED on July 10, 2018.
