**Subject:** RE: Docket Number UM 1837--Notice of Filing-Prehearing Conference Report -- About Attachment  
**Importance:** High

Hello Everyone,

I apologize for any concern or confusion that I inadvertently created yesterday when I did not remove the notation for an attached Notice of Contested Case Rights and the attachment. The notation and notice are part of the template, and I simply did not catch that in this docket they were not necessary because, at this point, this is not a contested case proceeding.

Regards,

Diane Davis
