SPECIAL EXCHANGE SERVICES

CORE CONNECT 2

A. Description

1. CORE CONNECT 2 is an optional enrollment plan that permits business customers who subscribe to qualifying products and services to receive Local Exchange Service and additional features and services for a flat monthly rate.

CORE CONNECT 2 bundles are available under a one, two, or three-year Term Discount Plan (TDP). CORE CONNECT 2 bundles are available on a month-to-month basis as specified in E. following.

B. Regulations

1. CORE CONNECT 2 customers must also subscribe to the Company's non-regulated 1.5 Mbps or greater High-speed Internet at each CORE CONNECT location. In locations where 1.5 Mbps is not available, customers may alternatively subscribe to the Company's non-regulated 512 or 768 Kbps HSI. These qualifying services must be billed on the same invoice as CORE CONNECT, but may be provisioned on access lines or trunks other than CORE CONNECT.
2. Customers may subscribe to a maximum of ten (10) CORE CONNECT 2 business lines at each customer location.
3. There is no minimum service period for CORE CONNECT 2. Customers who discontinue services within thirty days after establishment of service will be charged only for the number of days CORE CONNECT 2 was in service. Early termination liability charges for customers who subscribe to CORE CONNECT 2 under a Term Discount Plan are as specified in C. following.
4. CORE CONNECT 2 lines cannot terminate into a PBX or other line trunking device except as otherwise indicated herein.
5. Components of CORE CONNECT 2 will be converted to ala carte rates for the remaining services if customers remove any of the qualifying services.
6. All terms and conditions specified elsewhere for the respective services/features requested as part of this plan shall apply.

B. Regulations (Continued)

7. Services selected as part of this plan can only be provided where technically available and compatible with other services the customer may choose to order
8. CORE CONNECT 2 cannot be combined with any other discounts unless otherwise specified.
9. CORE CONNECT 2 is not available to customers who are or become toll restricted. Service Connection Charges will not apply for those existing lines converted, in-place, to business exchange service due to company-initiated toll restrictions. Such customers will not be permitted to re-enroll in this plan until such time as all associated unpaid balances are satisfactorily paid in full.

C. Term Discount Plan

1. A Term Discount Plan (TDP) provides customers with discounts when the customer subscribes to CORE CONNECT 2 under a one, two or three-year term agreement.
2. Any CORE CONNECT 2 line(s) added subsequent to establishment of a TDP must be added under a separate TDP commitment period.
3. The rates and discounts in effect when customers subscribe to CORE CONNECT 2 under a TDP will apply until expiration of that TDP. CORE CONNECT 2 lines that are subsequently added under a separate TDP will receive the tariffed rates in effect when those lines are added.
4. Upon expiration of a TDP, the customer will be charged at the then prevailing monthly rate if the customer does not renew or select a new TDP. If the customer renews the TDP or signs up for a new TDP, the tariffed rates then in effect will apply for the new or renewed TDP.
5. If the Company terminates service for cause or if the customer discontinues the service in whole or in part without cause prior to the expiration date, no termination liability charges will apply for the regulated portion(s) of CORE CONNECT 2. However, if customers remove any of the qualifying services prior to the TDP expiration date, the remaining components of CORE CONNECT 2 will be converted to ala carte rates and the TDP discount will not apply.
