Advice No. 2014-004-PL

The Honorable Commissioners Ackerman, Bloom and Savage
Oregon Public Utility Commission
3930 Fairview Industrial Drive SE
Salem, Oregon 97302-1166

Attention: Joan Grindeland

Dear Commissioners:

Pursuant to Qwest's Price Plan under ORS 759.255, Qwest Corporation d/b/a CenturyLink QC is filing notice of revisions to the Exchange and Network Services Price List, Section 5. These sheets being revised are listed on Attachment A.

This filing expands availability of Line Volume Plan to include all service territories served by a CenturyLink incumbent local exchange carrier, and adds "CenturyLink" to the name of the plan, which will be generally referred to as "CLVP." These changes do not impact the terms and rates for current customers, although current customers may opt to replace their existing Line Volume Plan to include the newly eligible territories, without incurring early termination fees.

Questions concerning this filing may be directed to me or to Ron Trullinger at (503) 242-5089.

The requested effective date for this filing is September 29, 2014. If you have questions concerning this filing, please contact me.

Yours very truly,

A handwritten signature in black ink that reads "Dawn Salaver".

5.11 LOCAL VOICE DISCOUNT PLANS

5.11.1 CENTURYLINK LINE VOLUME PLAN (CLVP)

A. Description

1. **CenturyLink** Line Volume Plan (CLVP) is available to business customers subscribing to 10 or more basic business lines or qualifying packages. A customer may have up to a maximum of 3,000 participating lines across **all CenturyLink incumbent exchange carrier (ILEC) service territories. Lines served by a CenturyLink competitive local exchange carrier (CLEC) are not contributory to or eligible for CLVP.** CLVP is offered as a tiered plan with each tier having a Minimum Line Requirement.

2. CLVP may be offered to new business customers or those who are contemplating establishing service with another telecommunications service provider or, business customers currently receiving their service from another telecommunications service provider.

The terms, conditions and rates for participating lines in CenturyLink incumbent local exchange carrier (ILEC) locations other than those served by Qwest Corporation may differ from those contained herein, and are as described in the applicable tariffs, catalogs, and/or other local terms of service documents of the providing CenturyLink ILEC.

3. CLVP defines qualifying products **Qwest Corporation service territories** as the following:

- Flat Rate Business Lines (1FB) with Hunting[1]
- **CenturyLink** Choice Business (PGOQL)[2]
- **CenturyLink** Choice Business Plus (PGOQM)[2]
- **CenturyLink** Choice Business Add-A-Line (PGOQN)[2]
- **CenturyLink** Choice Business Prime (PGOQT)[2]

B. Terms and Conditions

1. Customers subscribing to CLVP receive discounted rates specified in 5.11.1.C., following. All terms and conditions for qualifying products and services as specified elsewhere apply. The Company may withdraw this offering to customers at any time with appropriate notice.

2. All access lines must be associated with the same customer. The Company may, at its discretion, provide this plan to Affiliates or Franchisees of the customer. An Affiliate or Franchisee is an entity whose operation of business is substantially associated with the customer's name, mark, or commercial symbol.

3. The discount level for CLVP is based on line volume and a contract term of 2, 3, 4 or 5 years. A customer may not have more than one CLVP.

B. Terms and Conditions (Cont'd)

4. Additional business lines may be added, but will not affect the monthly discount level, **except as described in 10. following.**

5. If **CenturyLink** terminates the Service(s) for Cause, or if a customer terminates the Services(s) in whole without Cause before the expiration date, the customer will pay termination charges of \$15.00 per line of the customer's Minimum Line Requirement times the remaining number of months left on the Term. For example: a customer terminating all service with 3 months remaining on the Term and a Minimum Line Requirement of 50 lines will pay $\$15.00 \times 50 \times 3 = \$2,250.00$

Annually, if an account falls below the Minimum Line Requirement for the discount tier, the customer will pay a shortfall penalty of \$60.00 for each line below the Minimum Line Requirement. If the customer is charged a shortfall charge, Qwest may subsequently conduct quarterly audits and apply shortfall charges until the customer meets the Minimum Line Requirement.

A termination charge will be waived if the customer replaces the service within the Qwest region with similar Qwest contracted services equal to, or greater than, the remaining value of the commitment.

Termination charge will be waived for customers with a Qwest Line Volume Advantage or *QWEST CHOICE* Business term agreement as long as the new **CLVP** agreement includes the same or greater number of lines for the same or greater term than their existing agreement.

6. The customer may move all or part of the lines in **CLVP** to **any participating CenturyLink ILEC service location**, or change qualifying products, as long as the customer maintains the **overall** minimum line requirement. **Lines moved to an eligible service location other than Qwest Corporation are subject to the requirements described in 9. following. The rates for such relocated lines and the available ancillary services are as specified in the appropriate CenturyLink tariffs, guidebooks, schedules, and/or local terms of service documents for the new service location.**

7. The Company may vary **CLVP** terms and conditions, excluding discount levels, to meet a specific customer's request provided the changes are mutually agreed upon by the customer and the Company.
