RE: Advice No. 24-01 – Updates to Crooked River Ranch Water Company Tariff, Schedules 6 & 9

We are requesting changes to Schedule 6 and Schedule 9. I have explained each change below.

Schedule 6 – I removed the table; the dollar amounts on the table were different than the rates that were set during the rate case. By removing the table, the schedule will stay up to date after future rate cases. I also made a few changes to clean it up.

Schedule 9 – We made 3 changes to this schedule.

1. Trouble-Call Charge – After normal office hours on special request. The original dollar amount was \$55 per hour 1 hour minimum. I changed this to \$50 per hour 2 hour minimum. I did this because anytime our field staff leaves their house for a trouble call, we have to pay them for 2 hours of overtime minimum. This will also match up with the Disconnection/Reconnect Charge after normal business hours.
2. Receive a Paper Bill – The original dollar amount was \$.69. This amount was decided back in January of 2023, and it is already out of date. We are requesting to change it to an even \$.80. This change will also allow room for the upcoming rate increase on postage.
3. Payment by Phone – The original amount is \$.95. I am requesting a change to \$1.00. This will make accounting easier to calculate and for the customers to understand.

Thanks for your consideration.

Frank Day
General Manager
Crooked River Ranch Water Company

SCHEDULE NO. 6

Reduce the size of meter request.

Available: To customers of the Utility at Crooked River Ranch, Oregon, and vicinity.

Applicable: To all customers that want to reduce the size of their meter.

Program Description:

The following fees will apply to a customer that requests to reduce the size of their water meter. Fees must be paid before the meter is changed.

Fees:

The cost of a new meter.

The cost of any parts needed to reduce connection size.
