RE: Stayton Cooperative Telephone Company, Inc., Supplemental Filing to Advice Letter 6 – Access

To Whom It May Concern:

Please find enclosed for electronic filing a Supplemental Filing to Advice Letter 6 being made on behalf of Stayton Cooperative Telephone Company, Inc. ("Stayton") Access Services Tariff P.U.C. No. 4.

On May 22, 2017, tariff revisions were filed to align appropriate Intrastate rates with Interstate rates. On June 20, 2017, a supplemental filing was made to update the Toll VoIP-PSTN Originating Local Switching rate and 800 Data Base Access Service Query rates. The Oregon PUC approved both the initial and supplemental filing.

This filing is being made to correct page numbers and Sheet No. headers due to an oversight on our part. No terms, conditions, or rates are being changed with this filing.

We are requesting an effective date of July 1, 2017. Also included is the LSN Application requesting the replacement tariff pages become effective on July 1, 2017 which is less than the required 30 days' notice. If you have any questions or require additional information, please contact me at 830.895.7221 or [cspears@gvnw.com](mailto:cspears@gvnw.com).

Sincerely,

/s/ Courtney Spears
