RE: Home Telephone Company, Supplemental Filing to Advice Letter 145 – Access

To Whom It May Concern:

Please find enclosed for electronic filing a Supplemental Filing to Advice Letter 145 being made on behalf of Home Telephone Company ("Home") Access Services Tariff P.U.C. No. 3. In accordance with the FCC's November 18, 2011 Report and Order and Further Notice of Proposed Rulemaking in WC Docket Nos. 10-90, etc. (FCC 11-161), 800 Data Base Access Service Query rates are being revised to be at parity with NECA's interstate switched access rates that were filed with the FCC on June 16, 2017 to become effective July 1, 2017. This filing affects interexchange carriers that order intrastate access service.

A replacement tariff page is being filed to make changes to the 800 Data Base Access Service Query rates originally filed on May 22, 2017.

We are requesting an effective date of July 1, 2017. Also included is the LSN Application requesting the replacement tariff page become effective on July 1, 2017 which is less than the required 30 days' notice. If you have any questions or require additional information, please contact me at 830.895.7221 or [cspears@gvnw.com](mailto:cspears@gvnw.com).

Sincerely,

/s/ Courtney Spears
