RE: UE 311 Withdrawal of Advice No. 16-11, Schedule 149, Environmental Remediation Cost Recovery Adjustment

Portland General Electric Company (PGE) originally filed Advice No. 16-11 on July 14, 2016, with a requested effective date of August 17, 2016. This filing was consolidated with dockets UM 1789 and UP 344 by Order No. 16-270. By Commission Order No. 16-229, PGE's Advice No. 16-11 was suspended for further investigation not to exceed six months from August 17, 2016. The Commission then issued Order No. 17-056 extending the suspension period for an additional three months to allow parties time to resolve outstanding issues and for the Commission to complete its investigation.

On March 2, 2017, the Commission issued Order No. 17-071, adopting the Stipulation between PGE and parties in the consolidated dockets. Order No. 17-071 ordered PGE to file new rate Schedule 149 with prices set to zero and to become effective the same day as the Order was issued. PGE submitted Advice No. 17-08 as a Compliance Filing on March 2, 2017. The Order (17-071) did not state a permanent suspension of Advice No. 16-11. In consultation with PUC Staff, PGE now withdraws the original advice filing, No. 16-11.
