RE: Advice 15-03

On February 13, 2015, Portland General Electric filed revised sheets for inclusion in its tariff, PUC OR No. E-18. On March 16, 2015, a supplemental filing for language changes only was filed.

This filing requests a revision of Tariff P.U.C. No. 18 to remove obsolete street and area lighting bill codes.

In accordance with a decision of the Commission in the Public Meeting of March 24, 2015, the sheets will become effective with service rendered on and after March 25, 2015.

One receipted copy of each sheet is returned for your files.
