RE: Docket No. UP 356

In accordance to Condition No. 2 of Order No. 18-122, in Docket No. UP 356, Pelican Bay Heights Water System notified the Commission of the completion of the annexation by filing a copy of Harbor Water's meeting minutes voting for approval of the annexation agreement.

Staff has investigated the filing and finds that all conditions in Order No. 18-122, Docket No. UP 356 have now been met. As the Commission does not regulate P.U.D.'s, this annexation removes Commission regulation from Pelican Bay with the transfer to Harbor Water of all Pelican Bay's plant assets and customers. Pelican Bay has been removed from the Commission's records.
