

ORDER NO. 12 175

ENTERED MAY 17 2012

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

CP 1493

In the Matter of

RHF COM, LLC

Application for a Certificate of Authority
to Provide Telecommunications Service in
Oregon and Classification as a Competitive
Provider.

ORDER

DISPOSITION: CANCELLATION ORDER RESCINDED

On October 14, 2010, the Commission granted a certificate of authority to RHF COM, LLC (RHF) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 10-397.

Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that RHF failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. The responsibility to respond to Commission requests for information or comply with any Commission rule is clearly stated at the time a certificate is granted to a competitive provider. Failure to comply with this obligation may result in the company's certificate of authority being canceled. If a certificate of authority is canceled, a company has the statutory right to request reconsideration.

At the April 24, 2012, public meeting, the Commission determined that RHF's certificate of authority should be canceled. RHF's certificate of authority was canceled in Order No. 12-154. On May 15, 2012, RHF filed a request to suspend Order No. 12-154, claiming it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that RHF filed the requested information but too late to prevent being canceled. However, given that the information is now current, the cancellation order should be rescinded.

The Commission reminds the company that the granting of a certificate places responsibility on the company to fully comply with Commission rules. The company must undertake a plan to prevent the certificate being canceled again. If RHF again fails to fulfill its regulatory obligations and the certificate is canceled, the Commission may conclude that it is not in the public interest to process a future application for recertification as a competitive provider. The Commission expects all companies to comply with the requirements of certification, including submitting all reports and payments on time.

ORDER

IT IS ORDERED that Order No. 12-154 canceling the certificate of authority of RHF COM, LLC, is rescinded.

Made, entered, and effective MAY 17 2012.
