

ORDER NO. 12 303

ENTERED AUG 03 2012

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

CP 1468

In the Matter of the Cancellation of the  
Certificate of Authority Held by PACIFIC  
TELECOM COMMUNICATIONS  
GROUP, INC.

ORDER

**DISPOSITION: CERTIFICATE OF AUTHORITY CANCELED**

On February 16, 2010, Pacific Telecom Communications Group, Inc. was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 10-055.

The certificate holder failed to file an annual report for 2011 as required by OAR 860-032-0060(2)(a). On May 3 and June 6, 2012, the Commission notified the certificate holder that the report had not been received. The certificate holder failed to respond to the original request for the annual report and to the second notification.

ORS 756.515(4) provides that the Commission may, after investigation, but without hearing, make such findings and orders as deemed justified by the results of the investigation. In view of the foregoing, the Commission determined at its July 17, 2012, Public Meeting that the certificate holder has failed to comply with Commission rules and terms of the certificate. The certificate of authority to provide telecommunications service should be canceled, per OAR 860-032-0008(2). The company is reminded that because it had a certificate of authority for one or more days during 2012, it is required to file an annual fee statement and pay a minimum of \$100 for that year.

The Commission expects all companies to comply with the requirements of certification, including submitting all reports and payments on time. The company should review its procedures and make corrections to ensure that these obligations are met in a timely manner. Before the Commission will process any future application for certification or reconsideration of this order, the certificate holder must fully comply with Commission rules. Any future application or request for reconsideration must include as applicable:

1. An explanation of why the company was unable to comply with the Commission rules;

ORDER NO. 12 303

2. Proof of payment of all outstanding revenue fees, including late payment fees, owed for each calendar year of operation pursuant to ORS 756.310(6)(a), in accordance with Commission requirements;
3. Proof of compliance with Oregon Universal Service Fund requirements pursuant to ORS 759.425; and
4. Proof of filing of any outstanding annual reports pursuant to OAR 860-032-0060.

If the certificate holder fails to include these items with its application, the Commission will deem the application incomplete and decline it.

IT IS ORDERED that the certificate of authority held by Pacific Telecom Communications Group, Inc. is canceled.

Made, entered, and effective AUG 03 2012.

BY THE COMMISSION:
