

ORDER NO. 14 175
ENTERED MAY 27 2014

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

DR 48

In the Matter of

RENEWABLE ENERGY COALITION,

Petition for Declaratory Ruling.

ORDER

DISPOSITION: FILING WITHDRAWN; DOCKET CLOSED

On February 10, 2014, the Renewable Energy Coalition (Coalition) filed a petition for declaratory ruling seeking clarification of provisions in PacifiCorp's standard power purchase agreement for certain qualifying facilities (QF). The petition sought a ruling on the appropriate demarcation point between resource sufficiency and deficiency for purposes of determining PacifiCorp's right to terminate a QF for failure to meet a commercial operation date.

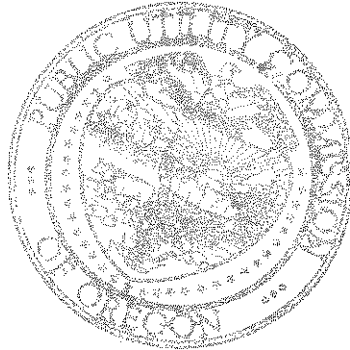

On May 27, 2014, the Coalition and PacifiCorp jointly request the Commission to allow the petition to be withdrawn. The parties explain that they have reached an agreement on the interpretation of the provision at issue, and that PacifiCorp has confirmed that no projects are at risk of termination for default under the provision this calendar year. The parties further agree that the resolution of the interpretive issue on a going-forward basis is more appropriately addressed in the next phase of docket UM 1610, in which the Commission will consider generic QF contracting issues.

The petition has been withdrawn, and this docket should be closed. The Coalition and PacifiCorp may request the issue giving rise to the petition be addressed in UM 1610 at the prehearing conference that will begin the next phase in that docket.

ORDER

IT IS ORDERED that the petition for declaratory ruling, filed by the Renewable Energy Coalition is withdrawn. This docket is closed.
