**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

CP 1583

In the Matter of the Cancellation of the
Certificate of Authority Held by CASCADE
NETWORKS, INC.

ORDER

DISPOSITION: CERTIFICATE OF AUTHORITY CANCELED

On October 22, 2015, Cascade Networks, Inc. was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider.
See Order No. 15-348.

In a letter dated May 31, 2017, Brian Magnuson, President of Cascade Networks, Inc., requested that the Commission cancel the company's certificate of authority to provide telecommunications service in Oregon as it recently sold its internet service, telecommunications assets, and company name to Astound Broadband, LLC. The company is reminded that because it had a certificate of authority for one or more days in 2017, it is required to file a revenue statement and pay a minimum of \$100 for that year.

In view of the foregoing, the certificate of authority to provide telecommunications service in Oregon held by Cascade Networks, Inc. should be canceled.

IT IS ORDERED that the certificate of authority held by Cascade Networks, Inc. is canceled.

Made, entered, and effective JUN 06 2017.
