

ORDER NO. **17 312**

ENTERED **AUG 18 2017**

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1677

In the Matter of

FRONTIER COMMUNICATIONS
NORTHWEST, INC.,

Petition for Approval of Price Plan Pursuant
to ORS 759.255.

ORDER

DISPOSITION: ORDER NO. 14-290 AMENDED

On August 14, 2017, Frontier Communications, Inc., filed a request for extension of time to file its 2017 petition for price plan to the Commission by three weeks, to September 7, 2017. In Order No. 14-290, we required Frontier to petition the Commission for a new form of regulation no later than August 17, 2017—the end of the third year of the original plan. Frontier requests additional time to file its 2017 price plan because press of work in other jurisdictions has made it difficult to complete its petition here. Moreover, Frontier is currently holding discussions with Commission Staff and other interested potential parties to further explain its thoughts and hear potential concerns. Frontier states that Commission Staff has been appraised of this request and does not object.

ORDER

I find that good cause exists to grant the motion and amend Order No. 14-290. Frontier is ordered to file its 2017 petition for price plan by September 7, 2017.

Made, entered, and effective AUG 18 2017.
