In the Matter of

PUBLIC UTILITY COMMISSION OF  
OREGON,

Investigation into PacifiCorp, dba Pacific  
Power's Oregon-Specific Cost Allocation  
Issues..

ORDER

**DISPOSITION: AMENDED ISSUE FUND GRANT REQUEST  
APPROVED**

On March 27, 2018, the Oregon Citizens' Utility Board filed an Amended Request for Payment of its PacifiCorp, dba Pacific Power Issue Fund Grant<sup>1</sup>. The procedures for payment of Issue Fund Grants are governed by Section 7.3 of the Fourth Amended and Restated Intervenor Funding Agreement (Agreement), adopted by the Commission in Order No. 18-017. CUB is automatically precertified to receive Issue Fund Grants under OAR 860-001-0120(3)(a) and under Section 5.2(a) of the Agreement.

CUB asks for a final payment of \$5,610 from the PacifiCorp Issue Fund and states that the remaining balance of the approved budget may be released back to the PacifiCorp Issue Fund. Under the Agreement, the Request for Payment must:

1. Itemize the expenses, payees and hourly rates of amount to be reimbursed;
2. Demonstrate that the expenses are reasonable and are directly attributable to issues and positions pursued on behalf of a particular customer class and consistent with the intervenor's proposed budget;

---

<sup>1</sup> CUB filed amended its request the same day that it filed a request for an inaccurate amount.

3. Provide information sufficient to show that the intervenor has complied with any conditions imposed on the Issue Fund Grant; and
4. Specify whether the request for payment is for a progress payment or a final payment and indicate whether any approved budget amount may be released back to the applicable Issue Fund.

Further, under the terms of the Agreement, CUB must establish that it has used in-house resources or outside funding for at least 20 percent of the Eligible Expenses for an Eligible Proceeding. Agreement at 20. CUB provided the required documentation in its request.

The Agreement provides that the Commission determine in each proceeding how the participating utilities are to recover the funding grants from the various customer classes. Under Section 7.7(b), Issue Fund Grants should be allocated to align the costs of the advocacy with the intended potential beneficiaries of the advocacy. The Commission considered the intended beneficiaries, and finds that the issue fund expenditures should be allocated to PacifiCorp's residential customers.

The Commission finds that CUB's request meets the requirements of the Agreement, and its request should be approved. Section 7.8 of the Agreement provides that the utility must pay the Issue Fund Grant to the requesting intervenor within 30 days after receipt of Commission directive. The balance of the approved budget should be made available to the PacifiCorp Issue Fund.
