

ORDER NO. **18 196**

ENTERED **MAY 29** 2018

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 335

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

Request for a General Rate Revision.

ORDER

DISPOSITION: PETITION FOR CASE CERTIFICATION DISMISSED

On April 27, 2018, the Small Business Utility Advocates (SBUA) filed a Petition for Case Certification under OAR 860-001-0120(4) and Article 5.3 of the Fourth Amended and Restated Intervenor Funding Agreement (IFA).

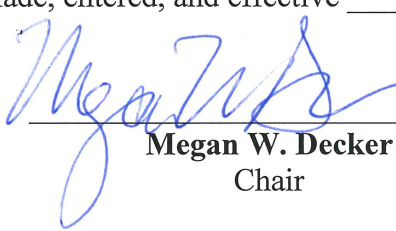

We do not address the merits of SBUA's petition for case certification because we find it has been rendered moot. This rate proceeding will be concluded in this calendar year and nearly all monies in Portland General Electric Company's Issue Fund are fully committed for 2018 (\$10 available). Given these facts, and because the IFA does not allow advances for Issue Fund grants,¹ the application for case certification to obtain an issue fund grant in this docket has no practical value or meaning, and should be dismissed as moot.

¹ Fourth Amended and Restated Intervenor Funding Agreement, Section 4.4. (approved in Order No. 18-017 (Jan 17, 2018)).

ORDER

IT IS ORDERED that the Petition for Case Certification filed by Small Business Utility Advocates, is dismissed.
