OF OREGON**

CP 1589

In the Matter of the Cancellation of the  
Certificate of Authority Held by  
COREPACKET, LLC.

ORDER

**DISPOSITION: CERTIFICATE OF AUTHORITY CANCELED**

On January 12, 2016, CorePacket, LLC was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 16-006.

In a letter received March 11, 2020, Edward Evi, President of CorePacket, LLC, requested the Commission cancel the company's certificate of authority to provide telecommunications service in Oregon as it is not providing services requiring a certificate of authority. The company is reminded that because it had a certificate of authority for one or more days in 2020, it is required to file a revenue statement and pay a minimum of \$100 for that year.

In view of the foregoing, the certificate of authority to provide telecommunications service in Oregon held by CorePacket, LLC should be canceled.

IT IS ORDERED that the certificate of authority held by CorePacket, LLC is canceled.

Made, entered, and effective Mar 16 2020.

A handwritten signature in blue ink, appearing to read "Bryan Conway", is written over a horizontal line.
