OF OREGON**

In the Matter of

AVISTA CORPORATION dba AVISTA
UTILITIES,

Spring Earnings Review.

ORDER

DISPOSITION: TIME LINE SPECIFIED IN ORDER NO. 12-276 AMENDED

On July 3, 2012, the Commission issued Order No. 12-276, adopting a Staff recommendation requiring Avista Corporation, dba Avista Utilities, to “file results of operations for the twelve months ended the prior December 31st” by May 1st of each year.

The Chief Administrative Law Judge has been delegated the authority to modify time lines specified in a Commission order.¹ Exercising that authority, I find good cause, given the general operational constraints put on utilities and the Commission associated with the response to the COVID-19 pandemic, to amend Appendix A of Order No. 12-276 to clarify that for the year ending in 2019 only, Avista may file its results of operations for the twelve months ended the prior December 31st by July 1st. The remainder of the timelines specified in Order 12-276, dates will be extended accordingly, with respect to the 2019 filing only.

IT IS ORDERED that the Staff Recommendation, Appendix A, page 2 of Order No. 12-276, is amended as set forth above. The remainder of the order is unchanged.
