

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1953

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,Investigation into Proposed Green Tariff.

MODIFIED PROTECTIVE ORDER

DISPOSITION: MOTION FOR MODIFIED PROTECTIVE ORDER GRANTED

General Protective Order No. 18-260 was entered in this docket on July 3, 2018. On September 15, 2020, Portland General Electric Company (PGE) filed a motion for a modified protective order to provide additional protection for highly commercially sensitive, non-public information related to PGE's power supply agreement and requests expedited consideration. PGE includes a proposed modified protective order with its motion. In support of its motion, PGE states that the order is needed and that the need to provide Highly Confidential information arose from Data Requests served on PGE by a party in these proceedings. For good cause shown, I adopt PGE's requested modified protective order, revised by the additional statement regarding temporary measures and protective procedures to permit electronic filing and transmission of highly confidential material consistent with the Commission's COVID-19 response as reflected in Order No. 20-088 and the Chief Administrative Law Judge's letter dated March 26, 2020. The revised modified protective order is attached as Appendix A.

PGE's motion provides the information required by OAR 860-001-0080(3). PGE describes why the information related to power supply agreements falls within the scope of ORCP 36(C)(1), and why the modified protective order restricts access to highly protected information. PGE outlines the requested security requirements for highly confidential information and the particular means the highly confidential information will be protected consistent with the Commission's COVID-19 response as reflected in Commission Order No. 20-088. PGE provides specific reasons why the relief requested is necessary. PGE provides a description of the intermediate measures explored by the parties and why these measures are insufficient. PGE certifies that it has conferred with the party serving the data requests, has notified the other parties of this filing, and that the requesting party has stated it will support a motion for a modified protective order.

PGE's motion also describes how it conferred with the parties to these proceedings regarding this modified protective order. PGE reports that the Alliance of Western Energy Consumers takes no position on the motion. Calpine Solutions, Sam's West, Inc. (Walmart), PacifiCorp, and the Oregon Citizens' Utility Board have no objection to the motion. Avangrid Renewables supports the motion. PGE asserts that it has not heard from the remaining parties regarding the motion.

ORDER

IT IS ORDERED that the Modified Protective Order, attached as Appendix A, is adopted.

Made, entered and effective on Sep 16, 2020.

A handwritten signature in blue ink, appearing to read "Allan J. Arlow".

Administrative Law Judge

A party may appeal this order to the Commission under OAR 860-001-0110.

MODIFIED PROTECTIVE ORDER
UM 1953

Scope of this Order:

1. This order supplements General Protective Order No. 18-260 and governs the acquisition and use of “Highly Confidential Information” produced or used by any party to docket UM 1953.

Designation of Protected Information and “Highly Protected Information”:

2. Any party may designate as Highly Protected Information any information the party reasonably determines:
 - (a) Falls within the scope of ORCP 36(C)(1) (a trade secret or other confidential research, development, or commercial information);
 - (b) Is not publicly available; and
 - (c) Is not adequately protected by the general protective order.
3. To designate information as Highly Protected Information, a party must place the following legend on the material:

HIGHLY PROTECTED INFORMATION
SUBJECT TO MODIFIED PROTECTIVE ORDER NO. 20-

The party should make reasonable efforts to designate as Highly Protected Information only the portions of the information that satisfies paragraph 2 of this Modified Protective Order.

4. For a temporary period, all Highly Confidential Information in OPUC Docket UM 1953 will be filed with the OPUC Filing Center (puc.filingcenter@state.or.us) with a password protected and encrypted electronic ZIP file and distributed to parties electronically who have signed the appropriate protective order, consistent with the Commission's COVID19 response, as reflected in Order No. 20-088 and the Chief Administrative Law Judge's letter dated March 26, 2020. When the temporary waiver of rules referenced in Order No 20-088 is rescinded, the Highly Confidential Information will be processed as follows: Each page of a document containing Highly Protected Information filed with the Commission and served on persons qualified to access Highly Protected Information under this order must be printed on green paper and placed in a

sealed envelope or other appropriate container. Only the portions of the document that fall within ORCP 36(C)(1) may be placed in the envelope/container. The envelope/container must bear the legend:

THIS ENVELOPE IS SEALED UNDER ORDER NO. _____
AND CONTAINS HIGHLY PROTECTED INFORMATION.
THE INFORMATION MAY BE SHOWN ONLY TO
PERSONS QUALIFIED TO ACCESS HIGHLY PROTECTED
INFORMATION AS DEFINED IN THE ORDER.

5. Highly Protected Information disclosed by a designated party to a person qualified to access Highly Protected Information through informal discovery or by means of Commission's Huddle website will be marked "Highly Protected Information" and uploaded to a file folder designated "highly protected" in Huddle, if applicable.
6. A party may designate as Highly Confidential Information any information previously provided by giving written notice to the Commission and other parties. Parties in possession of newly designated Highly Protected Information must make reasonable efforts to ensure that all copies of the material containing the information bear the above legend if requested by the designating party.
7. A designating party must make reasonable efforts to ensure that information designated as Highly Protected Information continues to warrant protection under this order. If designated information becomes publicly available or no longer falls within the scope of ORCP 36(C)(1), the designating party should make reasonable efforts to remove the protected designation and provide written notice to the Commission and other parties.

Challenge to Designation of Information as Highly Protected:

8. A party may informally challenge any designation of Highly Protected Information by notifying the designating party. Once notified, the designating party bears the burden of showing that the challenged information is covered by ORCP 36(C)(1) and that the "Highly Protected Information" designation is necessary. Any party may request that the ALJ hold a conference to help resolve disputes about proper designation.
9. If the dispute cannot be resolved informally, the challenging party may file a written objection with the ALJ. The objection need only identify the information in dispute and certify that reasonable efforts to achieve informal resolution have failed.
10. Within five business days of service of the objection, the designating party

must either remove the protected designation or file a written response. A written response must identify the factual and legal basis of how the challenged information is protected under the Oregon Public Records Act, ORS 192.410 et seq, or the Uniform Trade Secrets Act, ORS 646.461(4). Broad allegations unsubstantiated by specific facts are not sufficient. If the designating party does not timely respond to the objection, the Commission will remove the protected designation from the challenged information.

11. The challenging party may file a written reply to any response within five business days of service of an objection. The designating party may file a sur-reply within three business days of service of a response. The ALJ will make all reasonable efforts to resolve the matter within 10 business days of service of the last filing.

Access to Highly Protected Information:

12. Persons automatically bound and qualified to access Highly Protected Information are:
 - a. Commission employees; and
 - b. Assistant Attorneys General assigned to represent the Commission.
13. The following persons are qualified to access Highly Protected Information upon completing Appendix B:
 - a. Counsel for the party; and
 - b. An employee of the Regulatory Division at the Oregon Citizens' Utility Board.
14. A party bound by the General Protective Order No. 18-260 may seek to qualify other persons to access certain specific Highly Protected Information by having those persons complete and sign Appendix C, and submitting that information to the designated party and the Commission. Within five business days of receiving a copy of Appendix C, the designated party must either provide access to the requested information designated as Highly Protected Information or file an objection under paragraph 15.

Objection to Access to Protected Information:

15. All persons qualified to have access to Highly Protected Information will have access to Highly Protected Information unless the designating party objects as provided in this paragraph. As soon as the designating party becomes aware of reasons to restrict access to a Qualified Person, or objects to a person seeking qualification under Paragraph 14, the designating party must provide the person and his or her counsel notice stating the basis for the objection. The parties must promptly confer and attempt to resolve the dispute on an informal basis.
16. If the parties are unable to resolve the matter informally, the designating

party must file a written objection with the ALJ. The requesting party may file a response to the motion within 5 business days of service of an objection. The ALJ will make all reasonable efforts to resolve the matter within 10 business days of the last filing. Pending the ALJ's decision, the specific Highly Protected Information may not be disclosed to the person subject to the objection.

Use of Protected Information:

17. All Qualified Persons must take reasonable precautions to keep Highly Protected Information secure. Qualified Persons may reproduce Highly Protected Information to the extent necessary to participate in these proceedings. A Qualified Person may discuss Highly Protected Information obtained under this order only with other Qualified Persons who have obtained the same information under this order.
18. Without the written permission of the designating party, any person given access to Highly Protected Information under this order may not disclose Highly Protected Information for any purpose other than participating in these proceedings.
19. Nothing in this protective order precludes any party from independently seeking through discovery in any other administrative or judicial proceeding information or materials produced in this proceeding under this protective order.
20. Counsel of record may retain memoranda, pleadings, testimony, discovery, or other documents containing Highly Protected Information to the extent reasonably necessary to maintain a file of these proceedings or to comply with requirements imposed by another governmental agency or court order. Any other person retaining Highly Protected Information must destroy or return it to the designating party within 90 days after final resolution of these proceedings unless the designating party consents in writing to retention of the Highly Protected Information. This paragraph does not apply to the Commission or its staff.

Duration of Protection:

21. The Commission will preserve the designation of information as Protected Information or Highly Protected Information for a period of five years from the date of the final order in these proceedings, unless extended by the Commission at the request of the designating party. The Commission will notify the designating party at least two weeks prior to the release of Protected Information or Highly Protected Information.
