DISPOSITION: CANCELLATION ORDER RESCINDED

On August 22, 2002, the Commission granted a certificate of authority to Cypress Communications Operating Company, Inc. (Cypress) to provide (local) telecommunications service in Oregon as a competitive provider. *See* Order No. 02-578. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that Cypress failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the July 20, 2004 public meeting, the Commission determined that Cypress's certificate of authority should be canceled. Cypress's certificate of authority was canceled in Order No. 04-445.

On September 13, 2004, Cypress filed a request to suspend Order No. 04-445, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Cypress filed the requested information on August 30, 2004.

The information sent by Cypress to the Commission was late. However, the information has been received and it indicates Cypress is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Cypress's certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 04-445 canceling the certificate of authority of Cypress Communications Operating Company, Inc., is rescinded.
