ERRATA ORDER

DISPOSITION: ORDER NO. 16-477 CORRECTED

On December 12, 2016, we entered Order No. 16-477, which adopted a stipulation between the parties resolving all issues in this docket. Upon review, we find a non-substantive error in the body of the decision: on page 3, in summarizing the terms of the stipulation, we stated that the cost of debt was 5.295 percent. That figure is incorrect. The correct figure for cost of debt in the stipulation is 5.250 percent. Although the error does not affect the amount agreed to by the parties and adopted in the stipulation, the error should be corrected.

ORDER

IT IS ORDERED that language in Order No. 16-477 on page 3, section B, is corrected to read “* * * a debt cost of 5.250 percent.” The remainder of the order is unchanged.

Made, entered, and effective DEC 16 2016.
